## WHAT IS NCOM CHRISTIAN UNITY?

The National Coalition of Motorcyclists is an influential group of motorcycle clubs and associations meeting together for the purpose of being a united voice for motorcyclists.

NCOM has over 1,000 member organizations that share information and strategies to serve the motorcycle community.

The goal and purpose of NCOM is to assist all motorcycle organizations and individual riders with FREE services such as legislative assistance, nationwide information network, public awareness programs, safety projects, loan program, biker anti-discrimination, legal and legislative assistance, etc.

The Christian Unity arm of NCOM is the fastest growing part of NCOM. They are becoming very organized with Unity regional meetings, workshops at the NCOM convention and assistance with communications and involvement between mc groups. Find out how your Christian group can join NCOM Christian Unity and be involved in effective frontline motorcycle ministry.
