

I'm pleased to announce that NCOM has been set up in the online reservations system at the Holiday Inn Hotel & Suites Columbus Airport. To ensure that your guests will receive the rate for your group, we have a web address that you can provide to them.

For guests who do not have Internet access, please ask that they call 1-888-233-9527 and request the "NCOM" rate. This office is open Monday thru Friday from 9:00 A.M. to 8:00 P.M. Eastern time. We would prefer that guests do not call the hotel directly for reservations.

I would love to customize your site especially for you! I can replace the blue on the page with your choice of colors. If you would like to forward a picture (or logo) to me, I can add that to the scrolling photos on the site.

Sincerely,

Charlia Buechler
