I am a citizen and registered voter in the state where I reside. I am concerned on a bill that was introduced on January 25, 2005, S.B. 155. I feel this bill is in violation of an individuals right to belong to an organization. The bill states the term Criminal Street gang means a formal or informal group or association of 3 or more individuals, and if you solicit or recruit you are committing conspiracy. But according to the First Amendment, I am guaranteed the right to associate with whomever I choose. Please allow me to exercise my Constitutional Rights as an American Citizen. Keep in mind, you are the voice of the people; please allow our voices to be heard.

Thank you for your consideration.

I, \_\_\_\_\_ as an American Citizen, I am in opposition on the bill S.B. 155, a reply with your opposition on this matter would be greatly appreciated.

Sincerely,
